

WI-FI Info

Unlimited Wifi usage is provided to each Resident

Network capacity is, however, limited and excess usage or abuse of capacity is not permitted

Wifi is not guaranteed and is limited to the signal and / or supply of data by the service provider

The Manager reserves the right to cap or discontinue the Wifi service at any time without any notice

Any Resident who has an account in arrears will not be granted Wifi

IF YOU ARE UNABLE TO CONNECT:

Please ensure your VPN is off

Please ensure that you always tick “connect automatically”

SERVICE PROVIDER FAILURE AND INTERNET SHUTOFF

Wifi sometimes does go down so please always have a backup as wifi access cannot be guaranteed as we are reliable on our service providers.

INFORMATION TO SEND TO MANAGER IN ORDER TO CONNECT TO DURBAN CHRISTIAN RESIDENCE WIFI

You need to select Durban Christian Residence as the Wifi

Go to settings on that wifi

Look for the Phone Mac Address (**not randomised** – needs to be phone/static/fixed)

Send that to the Manager so that they can approve you on the system.
